August 10, 2016

Dear Business Associate,

We would like to invite you to become a sponsor of the 36th Annual Graceville Harvest Day Festival that will be held on Saturday, October 15, 2016! It will be a day of family fun located on the grounds of Factory Stores of America Mall.

This year's festival will include many arts and crafts, activities for the kids, several types of delicious food, and one of the area's biggest car shows with over 200 antique and classic cars on display. The fun kicks off on stage @ 9:00 a.m. and the Parade will begin in downtown Graceville at 10:00 a.m. We will have live entertainment & demonstrations throughout the day. We expect to have well over 3,000 visitors in attendance!

This is a great opportunity to promote your business. Attached you will find several ways to help sponsor this exciting event. If you have any questions, please contact: Michelle Watkins @ 263-3250 or Eugene Adams @ 415-0350.

Thank you in advance for your support!

Graceville Harvest Day Festival Committee
